The City of Port St. Joe

October 29, 2026

PUBLIC NOTICE FOR IMMEDIATE PRESS RELEASE

The City of Port St. Joe is concerned about the recent and frequent Red Tide outbreaks in St. Joe Bay. We will assist any and all agencies involved to determine the source of the Red Tide. The City is utilizing all of our resources to help the agencies resolve this issue.

St. Joe Bay is the lifeblood and economic engine of our City. As always, the City is committed to protecting and preserving this natural resource today, tomorrow and for future generations.
