

NOTICE: Downtown Water Improvement Project

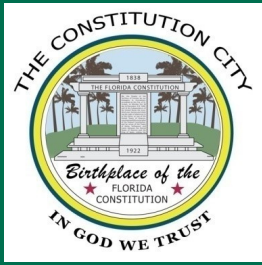

The Downtown Water Improvement Project is beginning August 5, 2024.

We will keep you updated weekly on progress so you can make the necessary accommodations with your vendor deliveries.

Starting August 5, 2024, work will be conducted in the alley between Williams and Reid Avenue from First Street to Second Street.

For additional questions:
call City Hall 850-229-8261

Downtown Water Improvement Project

Important Information for Business Owners

Throughout the length of this project:

- The alleys will only be open from 5:00 P.M. - 7:00 A.M.
 - All deliveries should utilize the side roads during working hours, or scheduled in the alley between the hours of 5:00 P.M. and 7:00 A.M.
 - BCC has been notified to collect trash before 7:00 A.M.
 - We will schedule any road closures 72 hours in advance.
 - Your water should not be interrupted during this time. We will schedule outages in order to tie in the main lines.
-
