Community Development Block Grant – Disaster Recovery Projects

Public Workshop

November 10, 2020

# Community Development Block Grant – Disaster Recovery

- The special appropriation provides funds to the most impacted and distressed areas for:
- Disaster Relief.
- Long Term-Recovery.
- Restoration of Infrastructure.
- Housing.
- Economic Revitalization.

Port St. Joe proposes two  
CDBG-DR projects:

- Fire and Police Station
  - \$6,925,962
- Sewer Rehabilitation (Lift Station and Collection Lines)
  - \$9,996,000

# Fire and Police Station

- Need: During Hurricane Michael, the current building was inundated with flood waters from storm surge.
- Solution: Construct a facility that will protect occupants, critical equipment and supplies during a disaster event.
- City purchased 5.21 acres on Avenue A to relocate the public safety facilities.
- The facility will be designed to house the fire and police departments.

## Sewer Rehabilitation – Lift Station

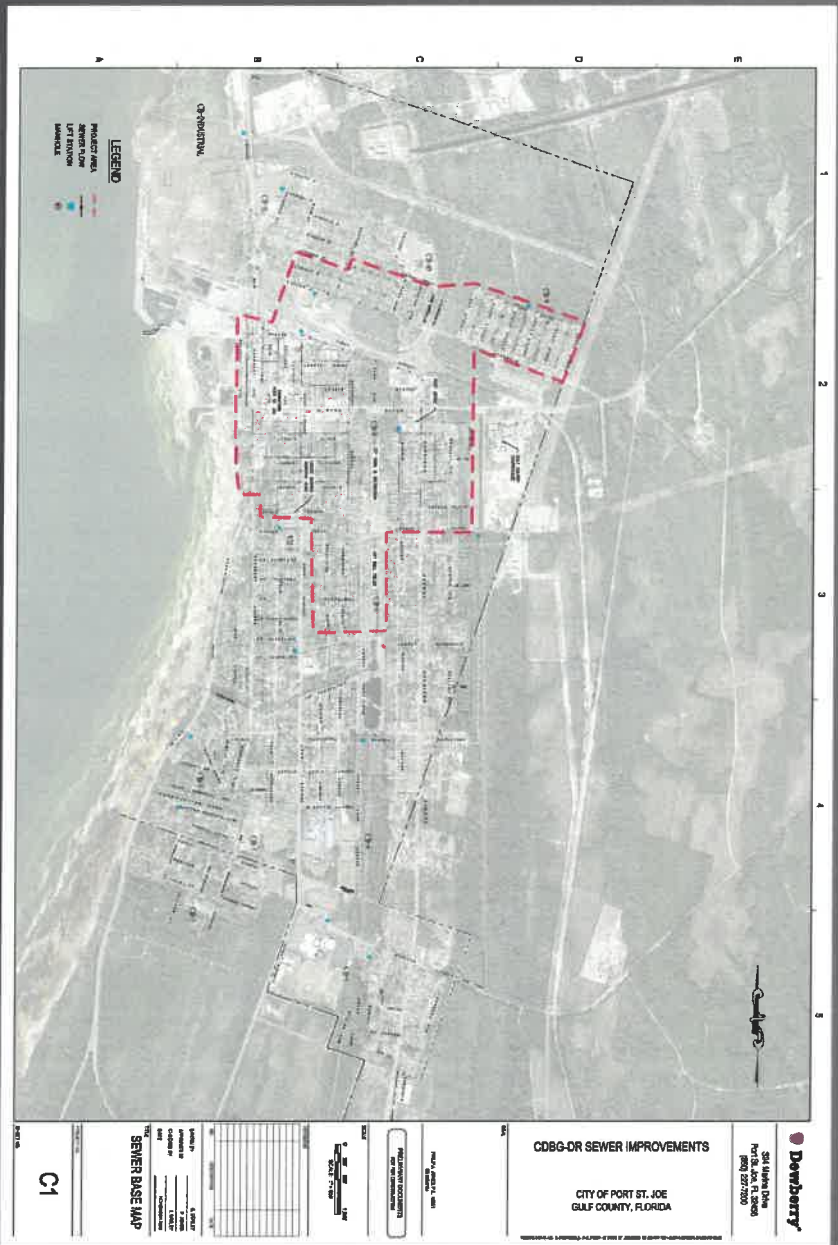

- Need: The 20<sup>th</sup> Street Lift Station was damaged by storm surge from Hurricane Michael, which flooded equipment and left damaging residue and debris.
- Solution: Repair Lift Station

## Sewer Rehabilitation – Collection Lines

- Need: The 80-year-old sewer collection system, consisting of vitrified clay pipe and brick manholes, was severely damaged by storm surge from Hurricane Michael.
- Solution: Replace Gravity Sewer collection lines and manholes with resilient materials
